You are interested in associating as:

(Please refer to the below mentioned chart to find the expected work profile of our allotted business partners)

a) Agents b) Dealers c) Distributor d) Super Distributor

Agent	An agent is who collects and passes the requirements to the publisher and helps in getting the orders and payment release from the institutions. Agents do not buy the book/journals from the publisher but get commission on sales.
Dealer	A Dealer is who buys the book/journals from the publisher upon receiving orders, they don't have ready stocks and sells to the institutes, if he is a registered dealer then can buy products at concessional rates, has eligibility for more discount as compared to Agents.
Distributor	A distributor is a firm/Co. who is registered and buys book/journals and stocks, has location exclusivity and have even more discounts as compared to Dealers.
Super Distributor	A super distributor would be specially allocated by the management only to a distributor who would show exceptional performance as a distributor for a minimum period of 1 year. Apart from having location exclusivity and have even more discounts as compared to Distributors.

Declaration -

I hereby confirm that the information given herein is correct and true to my knowledge and I have not withheld any information which is useful for the mutual relationship.
